WSDOT Construction Activity & Possible Delays/November 7-November 17, 2002

This update is also available by calling 1-800-695-7623, extension 511.

SR 27/Pines Road (MP 84-86)- Avista crews are continuing utility work on this section of roadway from 4th Avenue to Cataldo Street in the Spokane Valley; crews are currently stringing wire along Pines Road. This work requires minor lane restrictions on the northbound lanes of Pines Road; southbound traffic will not be affected. Motorists should be aware of possible minor delays and congestion in the work area.

SR 31/Campground Road to the Canadian Border (MP 25-27)- Project is complete.

I-90/Altamont Avenue (MP 283)- On Tuesday, November 12th, crews will be performing grinding work and sealing cracks in the right-hand lane of eastbound I-90, just east of Altamont Avenue. This work will begin at 8:30 a.m. and is expected to be complete by 3:30 p.m. Westbound I-90 traffic will not be affected. This work requires dry weather. Depending upon the weather, work may be rescheduled for later in the week.

HIGH IMPACT!! Harvard Road – The City of Liberty Lake continues work on Harvard Road north of Mission Avenue to the Spokane River bridge; the road is now open to traffic, although major construction continues. This is a City of Liberty Lake project. For additional information, please call 755-6700.

HIGH IMPACT!! SR 290-Trent Avenue/Spokane River Bridge (MP 0.4-0.6)- Work continues on this bridge replacement project between downtown and Hamilton Street. Trent Ave. is closed to through traffic between Riverpoint Blvd. and Cincinnati Street. Detours are fully signed. Access to all businesses on Trent is available. This is a long-term closure.

US 395/North of Hastings Road (MP 166.70)- The new signal at this location is fully activated and all roads are open to traffic.

HIGH IMPACT!! US 395/Colville Main Street (MP 228-229)- Work continues in downtown Colville. Motorists can expect minor, periodic lane closures while sidewalk work continues. This is a City of Colville project.
